When looking back over our high school days, will we remember just what that English teacher looked like, or just what clubs we were in? Will we be able to remember our "buddies" or whether or not they pursued the vocations which they were considering? Today, everyone is looking toward the future, but there comes a time when we like to just sit and reminisce of memories gone by. Through reflections, the Sharon High Mirror of 1960 hopes to be able to make these memories a little more vivid.

HARRY RUSSELL
Superintendent of Schools

As of November 3, 1959, a new School Board was elected, with the exception of one office, treasurer. The new officers are James J. Bailey, *president*; Dr. James R. Likens, *vice-president*; John Lysohir, Jr., *secretary*; and Francis J. Claffey, still serving as *treasurer*. Harvey E. Moore serves as school board solicitor.

The School Board has many difficult tasks. Among them, the most important is setting the policies of the Sharon School District. The board must consider the likes and dislikes of all those concerned as well as what is best for the students, and their ability to make the most of the program. It must also appropriate money for the operation of the school and approve all expenditures of schools in the district.

It is the duty of the School Board to see that the school has a well-balanced schedule. We can thank this organization for the smooth operation of the schools of the Sharon School District.

Board of Education

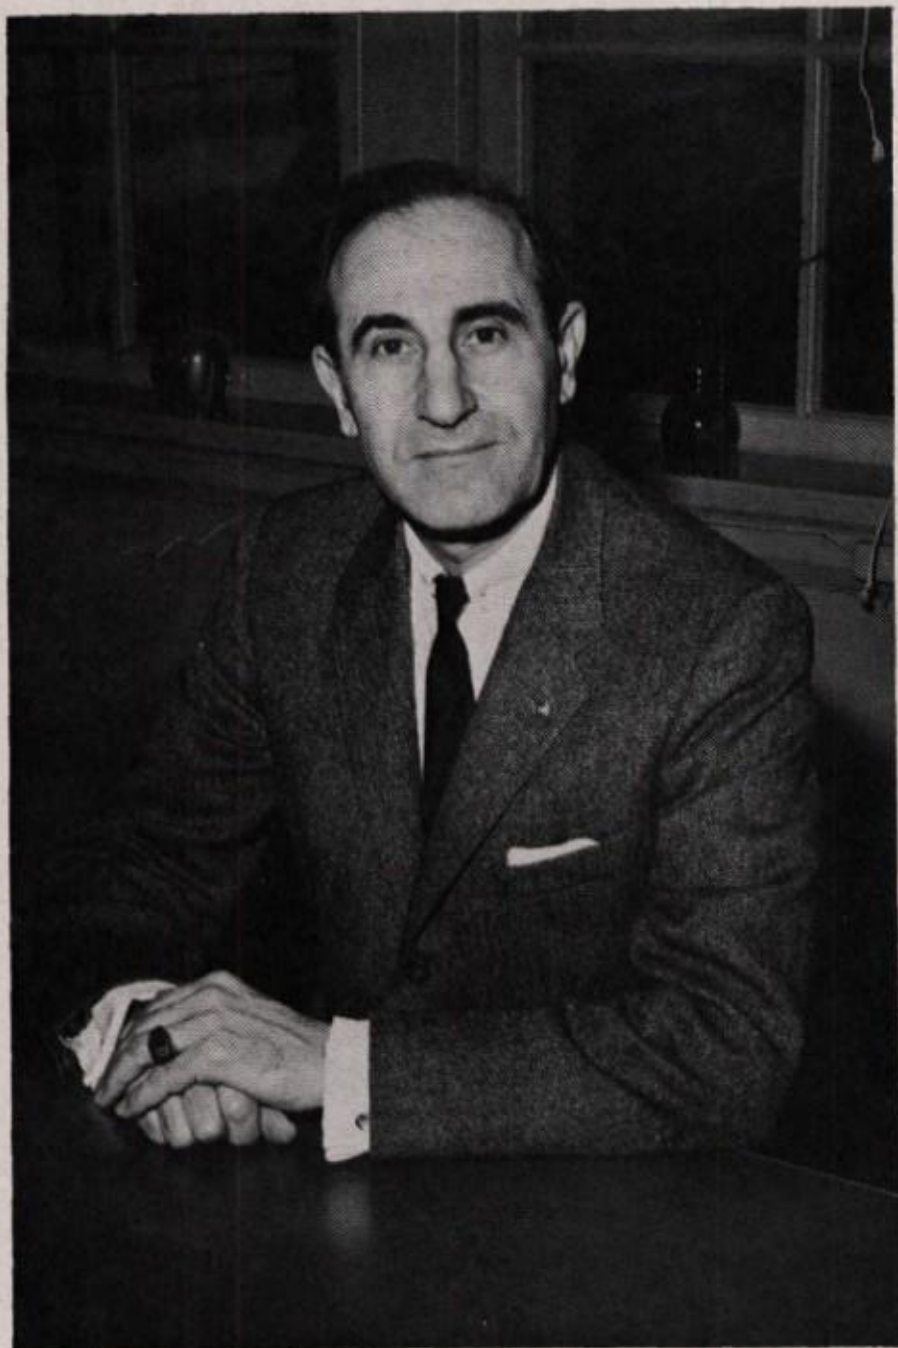

Seated: Francis J. Claffey, Harry Russell, James J. Bailey, John Lysohir, Jr. Standing: Dr. James R. Likens, Richard Long, Mrs. Shirley Miller, Dr. Donald McCamant, Harvey E. Moore.

Administrators

STANLEY N. CURRIER
Principal

PETER J. COLLODI
Assistant Principal

If we are to keep pace with the growth and development of our complex civilization, we cannot afford to be handicapped by fixed attitudes and viewpoints. Someone has remarked that our only permanency is change. This being true, our boys and girls should be forewarned and equipped to make efficiently the adjustments that will be required of them. We are concerned with the advancement of the whole child. Our duty lies in trying to discover his interests and abilities, so that we may assist him in the development of his physical body, his social philosophy, and his plans for the future. Offering courses leading toward and preparing for continuing education is our most important objective.

CLASSES

SEATED: *Secretary*, Carol White; STANDING: *Vice-President*, Samuel Leo; *Treasurer*, Elvorne Ferguson; *President*, Richard Karas.

Seniors

Class Motto: "Knowledge comes, but wisdom lingers"

Class Colors: Mint Green and Charcoal Gray

As we seniors receive our diplomas this year, various thoughts will enter the minds of each of us. To a few, the diploma will represent an end to education, to others it will be a stepping stone in preparing for the future, but to everyone of us it will bring memories of work and play, happiness and sadness, honor and tradition, which were each a part of us during twelve years of school life.

The honor and tradition of a Sharon High School graduate has become a part of his personality and character, and it will remain with him no matter what paths he may follow in the future.

Our senior class of 1960 has the honor of being the first graduating class of the new decade. Along with this, we have had in our class the first foreign exchange student ever to attend Sharon High. Our class is the largest to graduate in many years. In the future, I know we will be remembered, not only as the first class of the new decade, but as one of the best!

Richard Karas,
Senior Class President

Advisors: Mr. Eakin, Mr. Spigelmyer.

Michael Albert — Mike was active in intramurals and was a "seasoned monitor." As President of Junior Achievement in his junior year, Mike decided on a career as an accountant.

Good, To a great buddy in the Senior Class Lots of Luck in the Future Mike "60"

William Allen—Bill, who plans to spend the next four years cracking books at college, was a veteran member of band and brass ensemble. He also participated in Keglers and was elected treasurer of French Club.

Good, the miserable days we walked together to the miserable school Bill

Robert Anderson—Bob, veteran captain of the traffic squad, was also an active member of Keglers and most intramural sports. Having gained experience in choir, he sang at various dances with a quartet called "The Squires."

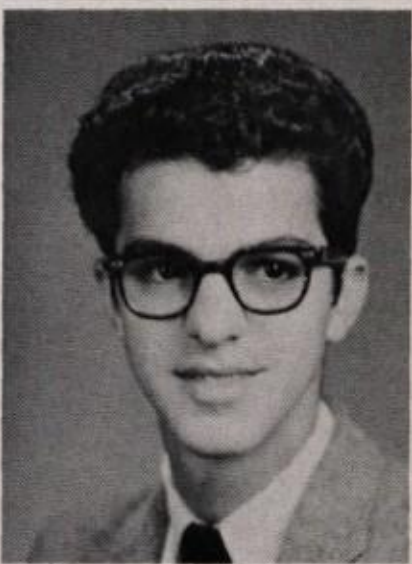

Sharlene Anderson—Sharlene, a future secretary, was the only girl trumpet player in our band. She was also a faithful member of Keglers and belonged to the French Club.

Dorothy Andras—Dorothy was seen showing many people to their seats during games and during programs in the auditorium. She was an active member of Keglers Club and participated in intramurals. Dorothy hopes to be a secretary.

Patrick Astone—Pat is a quiet boy, but watch out for his teasing. He was an active member of intramurals and home room committee. Pat plans to be a barber in the near future.

Leonard Aubuchon—Len snapped his camera for Gazette and played his trumpet for band. He participated in Keglers, the Chess Club and intramurals. Len's future plans include college and a stint in the Air Force.

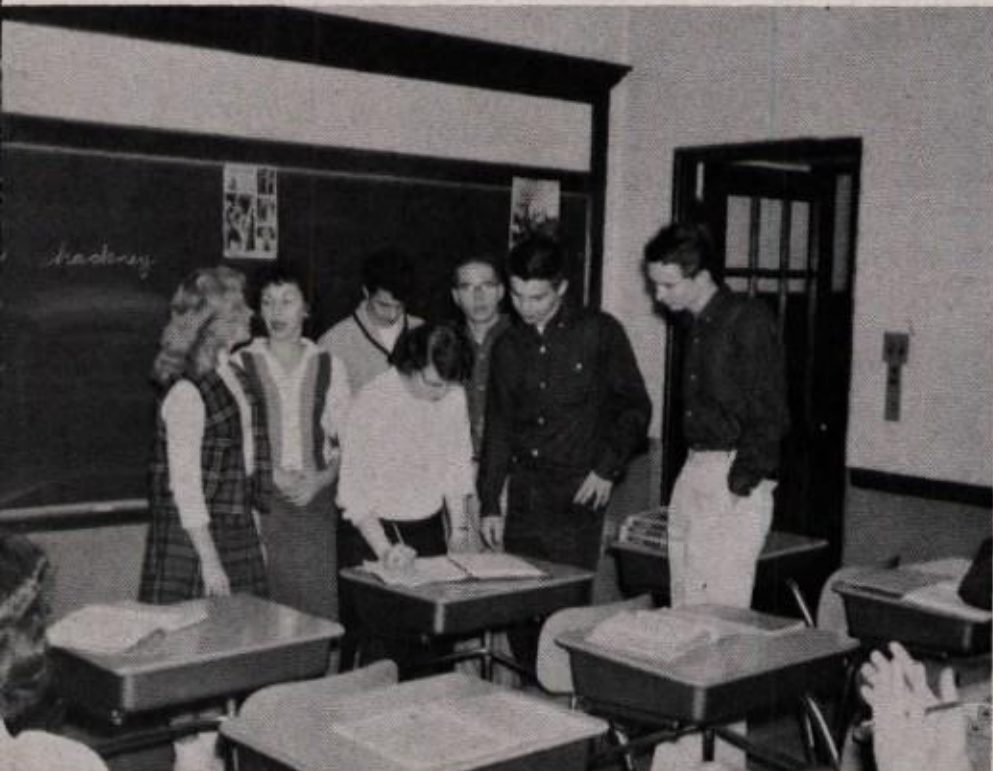

"Good" Lots of luck in the future Len

Donald K. Wiseman, Jr.—Butch derived great enjoyment from sports and proved this fact by being active in both intramurals and Keglers. Someday soon, Butch would like very much to be called "Dr." Wiseman.

James Wolfe—Wolfie, his name describing him, caused several traffic jams as a member of the traffic squad. He was active in Intramurals, *Gazette*, Keglers and Band. Jim plans to enter Antioch College after graduation.

Frank Youkers—Frank was a member of Hi-Y and was a great baritone in choir. He will surely be remembered as one of the top seniors on the basketball team. Frank plans to go into the ministry.

Robert Young—Bob, a peppy participant of intramurals, supplemented his athletic activity in Keglers. Planning to be physically fit, he'll join some branch of the armed forces next fall.

Theodore Young—Ted, who many times helped set up the stage and so served on his Home Room Committee, was a very active participant in Intramurals. He has no definite plans for the future.

"All right! Who took my coat?"

Willa Rae Young—Will, who plans to be either a secretary or cashier, was a capable vice-president of Future Nurses. She was a pleasant auditorium usher and an asset to intramural teams.

Bonnie Zoccola—Bonnie, hoping to be a Secretary after graduation, was an active participant in Intramurals. She was also member of Tri-Hi-Y and the Senior Play Committee.

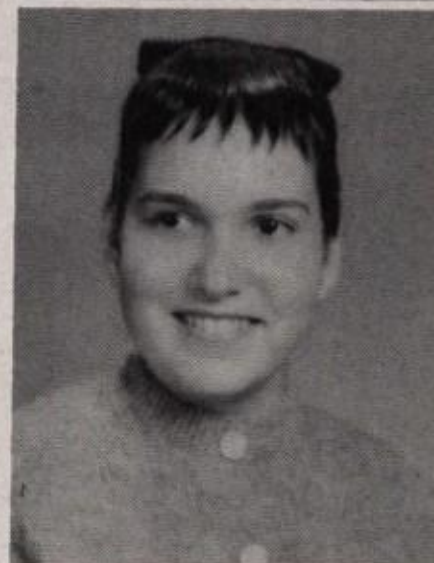

Carol Zoccola—Carol, a high-stepping band member and an active participant in intramurals, also guarded our halls as a monitor. Carol plans to be a secretary in the near future.

Theresa Zoky—While at S.H.S., Theresa was a member of French I Club and played the violin in our orchestra. After graduation, Theresa would like to enter the commercial field in some capacity.

Dianne Zoldan—Dianne will long be remembered for her role in the Senior Play. Having an interest in sports, Dianne participated in Keglers, and showed people to their seats during games. Good luck at college, Dianne!

Lynda Abernathy—Lynne came to Sharon in her senior year from Hickory High. She was head majorette of the Hickory band. Her membership in the Thespian Guild was correlated with her desire to be a speech teacher.

Juniors

This year's junior class is one accented with academic exuberance. This is a year of firsts, seconds, and thirds. The first year for a recognized honors system, the second year for junior class officers and the third year for pencil sharpener model K 120-6 in study hall 210.

Although homogeneous grouping is nothing new, the name "Honors system" is a novelty.

Being a junior is often a precarious condition, because you're only halfway up the ladder (or down). This year's class has tried to overcome any inferiorities by a supreme effort to make things better for all. One of the outstanding contributions of this class was the highest donation to the A.F.S. campaign.

"And she broke my window!"

Clementine, a boisterous tomboy, enjoyed nothing more than playing football with the gang. Her sudden discovery of boys brought many hilarious adventures as the play unfolded. The three-act comedy, under the capable supervision of Miss Caroline Daverio and Miss Ruth Moore, provided for an evening of delightful entertainment. The theme, worthwhile to everyone, showed us that sometimes the real "you" is hidden far below the surface.

How're you fixed for blades?

All that, and brains too.

The Mirror reflects life at Sharon High School in its different phases. The divisions picture the activities and achievements of SHS students.

This year, the Mirror Staff has produced a more personal yearbook. The plans of the seniors after graduation is one of its many features.

Much of the success of our yearbook may be attributed to Mr. Hugh Ferguson, advisor, Judy Tyson, editor, and the assistant editor, Joan Covert. Also, the Art Staff found Mrs. Mangus a great help with the cover, theme, and sectional pages.

The Mirror Staff is comprised of Literary, Art, Sports, Photo, and Typing committees. Many members of these staffs have spent long hours after school helping to make the Mirror a success.

Joan Covert, assistant editor, Judy Tyson, editor.

Mr. Blough, Director

The fundamental purpose of the Sharon High School Concert Choir is not entertainment, but rather organizing students of different abilities to achieve one goal: a democratic approach to the experience of singing. Qualities of leadership, self-discipline, and conducting are furthered within this group, dedicated to the performance of select choral music.

The Veterans Day program, the Christmas and Spring Concerts, and many community functions are the result of daily rehearsals. Members work hard in preparation for a program, and each member receives a sense of satisfaction from a well-performed number.

Under the direction of Mr. William Blough, the choir again this year retains its fine reputation.

Band

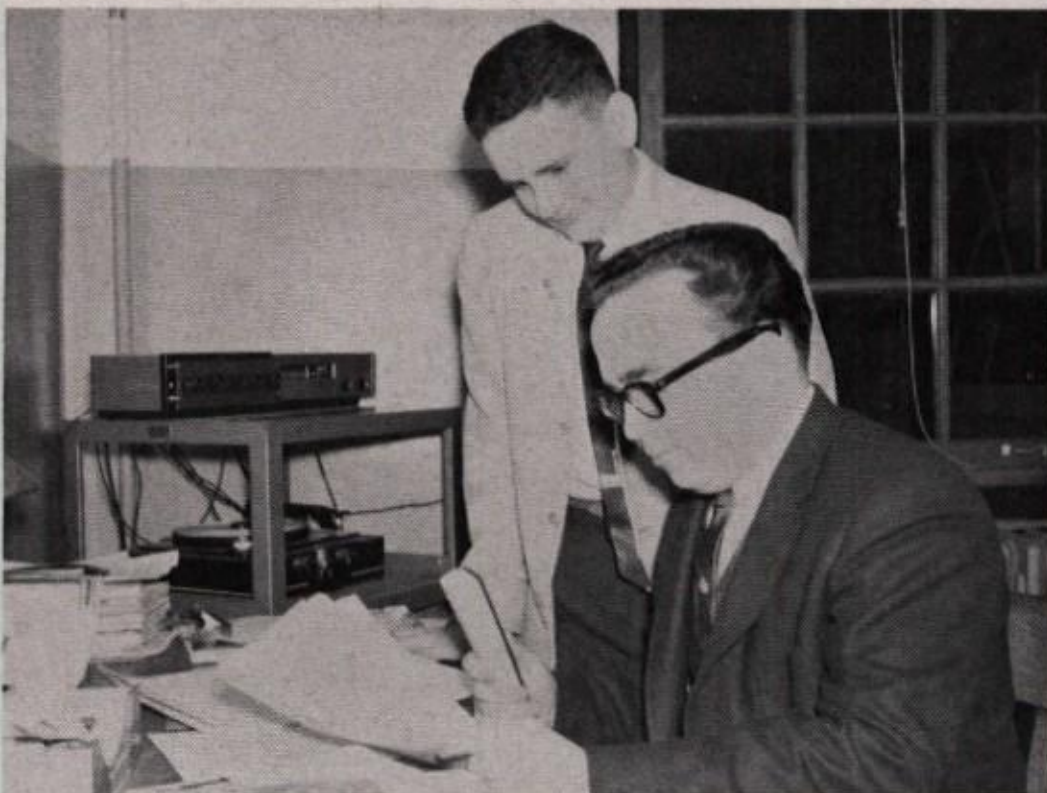

Director, Mr. Boles

The 110-piece Band, one of Sharon High's finest organizations, fully deserves all the credit it receives. None of the band's many undertakings could have been successfully accomplished without the encouragement of the director, Mr. Fred Boles.

No football game is complete without the band's colorful orange and black uniforms and their snappy drum cadence. They devote many hours of hard work in perfecting their half-time shows. Their peppy tunes played at basketball games and rallies stimulate enthusiasm and school spirit.

The Band demonstrates superior musical talent at the Christmas and Spring Concerts. The increase in attendance at these annual performances is proof of the quality and appropriateness of the band's enjoyable selections.

Fire Squad

The *fire squad* is a school service organization supervised by Mr. Peter J. Collodi. Their duties include closing all doors and windows and guarding the stairwells until every student is out of the building. Fire squad members deserve recognition for safeguarding the students of Sharon High.

Mr. Holt's *traffic squad* deserves much credit for its fine service in guarding the students safety. The traffic squad should have the respect and gratitude of every student, because "the life they save may be yours."

FOOTBALL

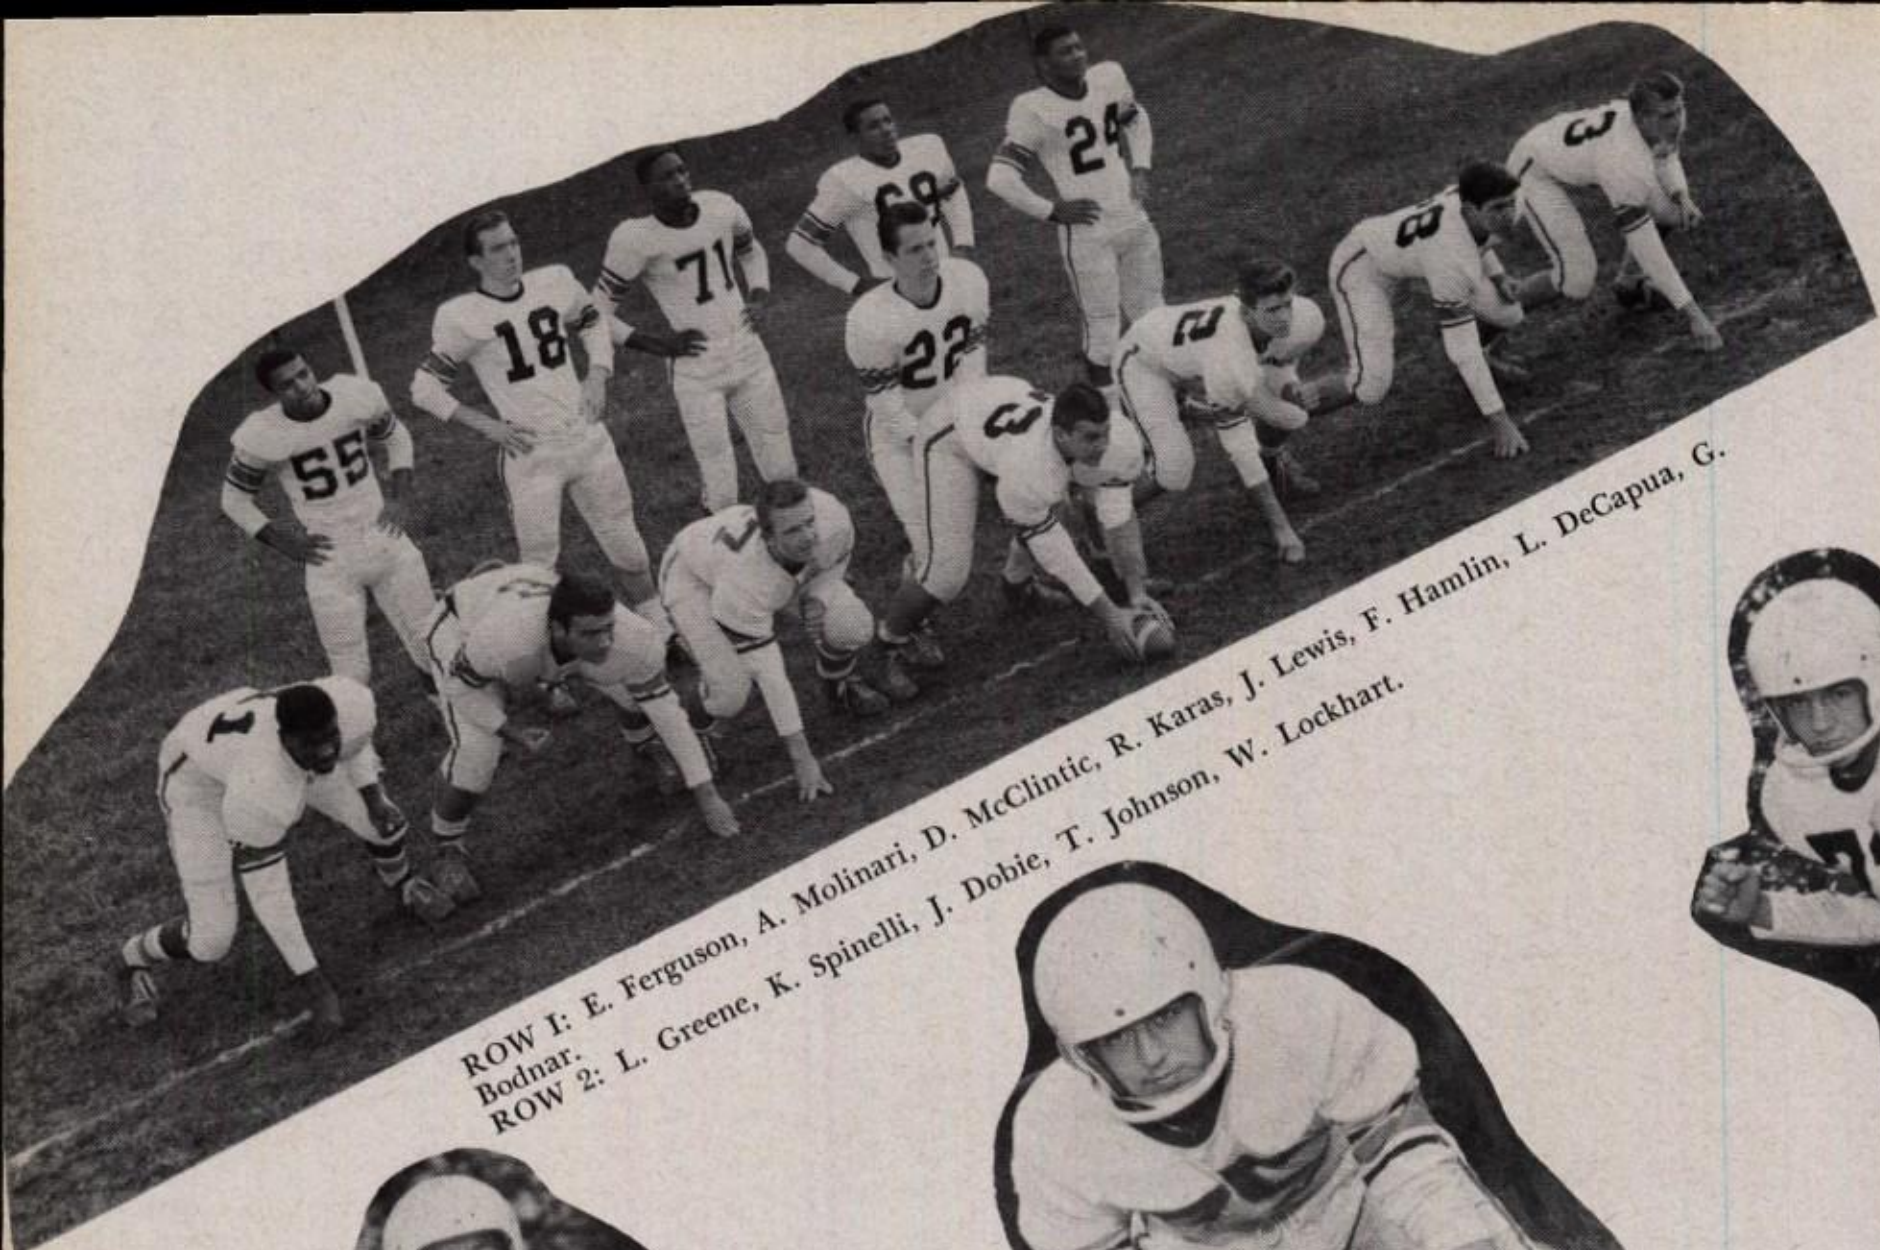

The Battling Bengals, under new head coach, Tony Razzano, completed the 1959 football season with a respectable record of five wins, four losses and one tie. The Bengals won over Sharpsville, Beaver Falls, Hickory, Butler, and Ellwood City, while losing to New Castle, Niles, O., Aliquippa, and Warren, O. The only tie for the Tigers took place with arch-rival, Farrell. Although the Night Riders were slightly favored to defeat the Tigers, the great Sharon High team was determined to give Farrell a tough time. Even though the contest ended in a deadlock, the mighty Tigers completely outplayed the Night Riders and, at the same time, knocked the Farrellites out of the W. P. I. A. L. playoff and conference title. The tie with Farrell brought down the curtain on another thrilling gridiron season.

Walter Lockhart, our fine, hard-running halfback and leading scorer, received honorable mention in the All-State and Big 33 teams. Also receiving honorable mention on the Big 33 were Tony Molinari, Len DeCapua, Tom Johnson and Larry Greene. Molinari and Lockhart were elected co-captains by their teammates.

The Sharon High *Mirror* staff expresses their thanks to Mr. Razzano, his assistants, and the team for thrilling football, and we wish them luck in the 1960 campaign.

"Coming to the party tonight, Mr. Razzano?"

Zombie Jamboree

The Sharon High Tigers fielded a strong team in the first game at Youngstown East, but they were crippled somewhat when they lost big Bubbles White, junior center. Piling up a 14-6 record, the Bengals remained a strong contender for the Section 3 title until well after mid-season.

The Battling Bengals finished the season tied for third place in Section 3 of W.P.I.A.L. with a record of seven wins and five losses in league competition. It was unusual that four of these defeats were on the opponents' courts, and in each game the margin of victory was three points. The Tigers scored 1099 points while holding their opponents to 910 points.

Sharon will miss its Seniors (Elvorne Ferguson, Frank Youkers, and Gary Pazak) next season, but the Tigers have four returning lettermen. With this nucleus, the Bengals should be strong opposition for anyone and another contender for the title.

Congratulations to the team and to the coaches, Mr. Laycock and Mr. Bennett, for another fine season. They have once again honored Sharon with their sports-man-like conduct and will-to-win attitude.

On behalf of the entire *Mirror* staff, I wish to thank all those who helped us in any way. I particularly thank Mr. Ferguson, without whose help and untiring efforts this book would never have been published. I also thank Mr. Houck, who subscribed all our financial assistance; Mrs. Mangus, who was a great help to our art staff; and last but not least, Mr. Jack Merle, who is responsible for the photography in this book.

Enol,

I could write a novel about the great times (and bad ones) we've had in hope room together. But I'll just condense it to one page! Oh how gals. This year would have been unbelievably dull without your little antics and tricks. You made homework one great big ball. Although I've gotten mad at you at times, I think you're a great guy!

Little things like writing on my notebooks, or throwing paper in my desk did get on my nerves, but that's all forgotten now. I wish you all the luck in the future, you'll need it!

One word, next time, do your homework at night,

You might get a 4 in Physics class. One

last word, never forget me,

I won't you! You are
a great kid.
Love? luck. Standi
